

SPACEX ROCKET

## HOW TO FIND US...

### PRIMARY STREET ACCESS TO HHO DURING NORMAL BUSINESS HOURS (7am - 6pm)

Enter Century Business Center (CBC) from Jack Northrop Avenue (Jack Northrop Avenue is a 1/4 mile south of the Airport) through **"GATE E"** at mid-point (1/2 mile from either Crenshaw Blvd on the east or Prairie Ave on the west ). When entering **"GATE E"** simply follow the maroon HHO kiosk signage North then West to HHO's parking lot and Terminal Building at 3511 Jack Northrop, ground floor. **"GATE E"** is open from 7AM to 6PM - Monday through Friday.

### WEEKENDS and/or AFTER HOURS

Enter Century Business Center (CBC) through either **"GATE B"** or **"GATE C"** then drive North then West (follow small HHO signage) through the maze of CBC to HHO's 2 story Terminal Building at 3511 Jack Northrop Avenue, ground floor.

### SPACEX and TESLA DESIGN CENTER ARE ALSO CBC TENANTS

Even though we love them, SPACEX and TESLA are very active and occasionally cause some congestion and chaos in and around Century Business Center.

In addition to HHO's primary access (**"GATE E"**) and secondary access (**"GATE B"** and **"GATE C"**) HHO (and all users of CBC), IF / WHEN other gates are not easily accessible, SPACEX provides **"24/7 ACCESS"** through its facility land footprint entering at **"GATE A"** with its entrance off of Crenshaw Blvd just north of SPACEX's Main Building and **"ROCKET"** at the corner of Crenshaw and Jack Northrop. Impossible to miss!
